Използване на мобилни технологии за подобряване на реформата на политиката за включване на групите в неравностойно положение в образованието mRIDGE

# Using mobile technology to improve policy Reform for Inclusion of Disadvantaged Groups in Education mRIDGE

**Duration of the project:  
01.11.2015 – 31.10.2017**

The aim of the project is the creation of digital learning resources for mobile devices to improve the educational integration of disadvantaged learners in the educational system - groups in risk whose ethno-cultural characteristics, special needs or socioeconomic status significantly restrict their ability for adequate education.
